

RIASHA DAS

Aspiring Digital Marketing Professional | SEO • Google Ads • Meta Ads • GA4 • Content & Social Media Marketing

West Bengal, India | (+91) 6290561817 | riashadas.official@gmail.com | [linkedin.com/in/riashadas](https://www.linkedin.com/in/riashadas)

PROFESSIONAL SUMMARY

Aspiring Digital Marketing Professional with a B.Tech in Computer Science (Data Science) and hands-on training from an AI-Powered Digital Marketing Program, covering SEO, Google Ads, Meta Ads, Google Analytics 4 (GA4), Google Search Console, and content strategy. Completed six applied projects spanning keyword research, technical SEO audits, Google Ads campaign structuring, conversion rate optimization, schema markup, and social media planning, supported by practical freelance exposure in social media management and Google Business Profile optimization for local businesses. Skilled in using AI tools including ChatGPT, Claude, and Gemini to accelerate research and reporting. Analytical, detail-oriented, and eager to bring a data-driven mindset to an entry-level Digital Marketing role.

PROFESSIONAL EXPERIENCE

Data Visualization Intern — Cognifyz Technologies

Jan 2024 – Mar 2024

Remote

- **Built** interactive dashboards in MS Excel and Google Sheets to support campaign and business performance reporting
- **Performed** data cleaning and transformation on raw datasets to improve accuracy and usability
- **Created** visual reports (charts and graphs) that supported data-driven decision-making for stakeholders

Freelance Digital Marketing Project — Fryde Cafe

Kolkata

- **Generated 500,000+ organic** impressions in 6 months through structured content planning; grew total audience to 8,000+ followers
- **Created and optimized** Google Business Profile, improving local search visibility by ~30%
- **Organized 5+ vlogger collaborations and managed 2+ CRM platforms (Swiggy, Zomato)**, improving ratings and response time
- **Monitored** weekly KPIs and improved engagement rate by 20–25%

Other Freelance Digital Marketing Projects

Kolkata

Publishing, Education, Healthcare & Beauty clients

- **Created** content and managed posting schedules on social media pages for small businesses
- **Set up** Google Business Profile listings to improve local search presence
- **Assisted** with basic Meta (Facebook/Instagram) promotions and community management
- **Designed** posters and social media creatives using Canva
- **Built** simple content calendars to organize posting schedules
- **Provided** basic email support and content coordination, focused on organic growth with no paid ad budget

HANDS-ON DIGITAL MARKETING PROJECTS

Practical projects completed as part of the AI-Powered Digital Marketing Program (Offtrack Education).

1. Keyword Research & SEO Copywriting

- **Objective:** Identify keyword opportunities and improve click-through potential for a business brief
- **Tools Used:** Ubersuggest, Ahrefs, SEMrush
- **What I Did:** Conducted keyword research to identify primary and secondary keywords, search volume, keyword difficulty, and search intent; wrote SEO-optimized meta titles and descriptions within character-limit best practices
- **Skills Applied:** Keyword Research, On-Page SEO, SEO Copywriting
- **Business Value:** Improved potential organic visibility and click-through rate for target pages

2. Google Ads Campaign Setup (Search + Performance Max)

- **Objective:** Build a paid search account structure for a UK CV-writing service
- **Tools Used:** Google Ads, Google Ads Transparency Centre
- **What I Did:** Built a Search campaign with one ad group, multiple ad copies (15 headlines, 4 descriptions) within character limits, plus ad extensions; set up a Performance Max campaign including asset groups, audience signals, and conversion goals
- **Skills Applied:** Google Ads, Campaign Structuring, Ad Copywriting
- **Business Value:** Demonstrated ability to structure paid search campaigns aligned to business objectives

3. CRO Audit & Landing Page Design

- **Objective:** Identify conversion bottlenecks on a landing page
- **Tools Used:** Claude, Lovable.dev
- **What I Did:** Produced a CRO audit report and designed a landing page prototype, recommending above-the-fold optimizations
- **Skills Applied:** Conversion Rate Optimization, Landing Page Design, AI-Assisted Design
- **Business Value:** Practiced diagnosing and improving conversion paths

4. Technical SEO Audit & Organic Growth Plan

- **Objective:** Improve technical SEO health and plan long-term organic growth for a UK-based brand
- **Tools Used:** Screaming Frog, SEMrush, Canva

- **What I Did:** Performed an on-page SEO audit identifying crawl errors, broken links, missing metadata, and page speed issues; developed a 12-month organic growth action plan covering technical SEO, content clusters, and backlink strategy; presented findings in a Canva report
- **Skills Applied:** Technical SEO, Site Audits, Content Strategy
- **Business Value:** Built a structured, actionable SEO roadmap

5. Schema Markup Implementation

- **Objective:** Improve SERP visibility and rich-result eligibility
- **Tools Used:** Schema markup generators
- **What I Did:** Generated structured Schema Markup (Article, FAQ, Local Business, Organization)
- **Skills Applied:** Technical SEO, Structured Data
- **Business Value:** Increased eligibility for enhanced search results

6. Social Media Content Calendar & Ad Campaigns

- **Objective:** Plan and execute organic and paid social media activity for Facebook and Instagram
- **Tools Used:** Canva, Meta Business Suite, Meta Ads Library
- **What I Did:** Created a 30-day content calendar following a 40% educational / 30% engagement / 30% promotional mix; planned Awareness, Engagement, and Traffic ad campaigns using hyperlocal and city-wide targeting with AI-assisted ad copy
- **Skills Applied:** Social Media Marketing, Content Calendar Planning, Meta Ads
- **Business Value:** Practiced end-to-end social media campaign planning
